
THE DUAL CREDIT CALENDAR

Plan your outreach to families throughout the year with this seasonal communication guide.

This timeline shows when districts should communicate key information to families throughout the school year.

SUMMER

SET UP FOR SUCCESS

Update your website, plan fall events, and draft fall communications. Future you will thank you!

FALL

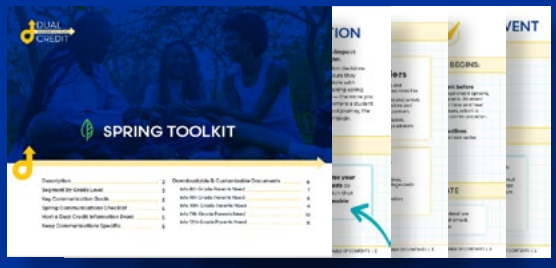
INTRODUCE DUAL CREDIT

Families are thinking about course selection. Share info about dual credit with new students and families, and help enrolled students track key enrollment dates and materials.

WINTER

PLANNING FOR ENROLLMENT

Review dual credit options and provide specific details in advance of spring registration.



SPRING

ENROLLMENT AND OUTREACH

Ensure eligible students and families have the details they need to select courses for next year. This is also when you can do outreach to incoming 8th grade families.
